

POSITION DESCRIPTION

Position No:	F3553	Directorate	Allied Health	Review Date
Position Title	Dental Technician			2011
Award/Agreement	Health Professionals – Victorian Public Sector			
Award Classification	DZ (level dependent upon experience)			
Hours Per Fortnight	38	ADO included	No	
Reports To	Lead Dental Technician			

ORGANISATIONAL INFORMATION:

Djerriwarrh Health Services incorporates the Bacchus Marsh, Melton and Caroline Springs campuses, serving an estimated population in excess of 75,000 and provides acute hospital, aged care, outpatients and primary care services to the community.

Dental services are provided from the Melton Health campus, and include a twelve chair dental facility complete with a dental laboratory and central sterilising supply department (CSSD). The dental clinic operates in partnership with La Trobe University to provide a teaching facility for dental students.

Mission Statement: ‘Helping people of our community to better health and well-being’

Values: Djerriwarrh Health Services is committed to the following values, which underpin the basis of our principle key objectives;

- Integrity and professionalism
- Team work
- Efficient and cost effective services
- Maximised patient/client satisfaction
- A commitment to quality outcomes
- Respect for all staff
- Management by fact
- Performance accountability

PURPOSE OF THE POSITION:

- To maintain a throughput of appliance construction within the laboratory in accordance with Key Performance Indicators.
- To provide training and supervision to dental students and apprentices on technical matters, laboratory procedures and removable prosthetic appliance therapy as requested.
- To be part of a progressive dental team that facilitates contemporary work practices.

REPORTING RELATIONSHIPS:

Direct Report Line Manager	Position No:
Lead Dental Technician	F3555
Manager Dental Services	F3491

PRE-REQUISITES FOR THE POSITION:

Mandatory:

- Recognised qualifications as a Dental Technician within Victoria (Diploma of Dental Technician or equivalent).
- A satisfactory police check.
- High level of clinical competence and demonstrated ability to provide clinical service provision in all stages of the design, construction and adjustment of prosthetics.
- Excellent interpersonal skills and personal presentation.

Highly Desirable:

- Knowledge and experience using Titanium software (patient management system).
- Previous experience working in a student clinic.

DUTIES REQUIRED OF THE POSITION:

Main responsibilities:

- Construct, modify and repair dentures and other dental appliances, which may include crowns, bridges, partial dentures, mouthguards, pre and post oral and maxillofacial surgical devices and orthodontic appliances.
- Design, fabricate, modify, maintain, fit and align or re-align dental prosthesis as necessary to provide maximum comfort to the patient's mouth.
- Undertake minor laboratory adjustments during prosthesis construction phases, minimising patient visits during overall construction.
- Provide a professional approach to patients, maintaining quality customer care at all times.
- Maintain patient information and dental records within the Titanium patient management system, or other software programs as instructed by Djerriwarrh Health Services.
- Consult with or refer to other health care professionals (internal and external) as required and liaise in the formulation of prescriptions for prosthesis, sharing knowledge and experience.
- Ability to function as a core member of the dental team building and maintaining strong relationships with colleagues.
- Provide training, mentoring and supervision of apprentices and dental students on technical matters, laboratory procedures and removable prosthetic appliance therapy as required.
- Demonstrated ability for problem solving, issue resolution and negotiation skills.
- Be able to manage and adapt to changes in a uniquely integrated dental service.
- Demonstrate commitment to undertake continuing professional development training as required or instructed.
- Undertake other duties as delegated by the Lead Dental Technician.

GENERAL RESPONSIBILITIES FOR ALL POSITIONS

1. Occupational Health and Safety

Each employee has the right to a safe working environment and should advise their Manager of any risk or condition likely to result in accident or injury. Each employee has the responsibility to ensure their own health and safety and to co-operate with DjHS procedures as well as participating in appropriate safety education and evaluation activities.

2. Infection Control

Each employee has a responsibility to minimise exposure to incidents of infection/cross infection of patients, clients, residents, staff, visitors and the general public. All staff adhering to the procedures as set out in the organisation's Infection Control Manual can most effectively achieve this minimisation.

3. Quality Improvement

Each employee has a responsibility to participate and commit to ongoing quality improvement activities using the relevant accreditation framework.

4. Workplace Harassment and Bullying

Djerriwarrh Health Services adopts and applies the Victorian State Government Code of Conduct. Each employee has the right to a work environment free from any form of workplace harassment and bullying. From an employee's orientation and throughout their employment, each employee is obliged to apply DjHS procedures and participate in appropriate education and training.

5. DjHS Standing Orders and Procedures

DjHS Standing Orders and Procedures are fully set out in the Procedure Manuals located throughout the organisation. It is the responsibility of each employee to familiarise themselves with these Manuals.

6. Confidentiality Policy

Each employee has a responsibility to comply with the organisation's confidentiality procedure as it is a condition of employment. Any breach of the Confidentiality Procedure will result in disciplinary action and/or dismissal under the conditions of the Health Services Act (Vic).

KEY PERFORMANCE INDICATORS FOR THIS POSITION:

1. To meet the minimum requirements of the position as stated in this PD or as expressly agreed with your Manager.
2. To meet objectives as agreed in your Performance Review Plan.

PERFORMANCE REVIEW

The Manager of Dental Services will undertake regular performance reviews based on Key Performance Indicators stated in the Performance Management Plan.

KEY SELECTION CRITERIA

KSC1 Obtained mandatory qualifications for the position

KSC2 Demonstrated advanced clinical skills

KSC3 Demonstrated excellent interpersonal skills
